

Playful Solutions. Powerful Results.™

Beat the Bank

Sort the coins faster than the bank to win! Here's how to Play:

1. Count how many coins you have. Choose no more than 5 of each.
2. Multiply the amount by 10 to determine time on clock.
3. Place the coins on the matching circles before the clock stops.

Q = Quarter 25 ¢

D = Dime 10 ¢

N = Nickel 5 ¢

P = Penny 1 ¢
